Date: Sunday November 15
Rain Date is Saturday November 21
Place: Immaculate High School - Danbury, CT (Turf Field)

AC Caldo will hold tryouts to fill open positions for its 2009/2010 teams on Sun November 15 as shown in the below schedule. Several teams have immediate roster positions available for the winter season. Other teams are currently full, however interested players are encouraged to attend the tryout to learn about the team and be evaluated by the Caldo Coaches. Positions do become available from time to time so selected players can be put onto an alternate player wait list and possibly participate in the winter program.
